We are still waiting on many of our official performance times for some events. Until we know times, events are listed as TBD.

Details for each calendar event will be emailed and distributed in class prior to the event. Optional events are labeled. All Concerts and rehearsals are graded events. Students must maintain a passing grade in all classes in order to be eligible for any contest, festival, and some of the social events. Percussion concerts are required for Percussion students only, but all students are welcome to attend.
